---

---

**Question: 4**

---

DRAG DROP

Match the terms on the left to the explanations on the right.

|                          |       |
|--------------------------|-------|
| <input type="checkbox"/> | CapEx |
| <input type="checkbox"/> | OpEx  |
| <input type="checkbox"/> | TCO   |
| <input type="checkbox"/> | ROI   |

|    |                                                                                                                                  |
|----|----------------------------------------------------------------------------------------------------------------------------------|
| 1. | Expenditures creating future benefits.                                                                                           |
| 2. | All hardware and software, and their installation, integration, migration, warranties, licenses, purchasing research, and risks. |
| 3. | Ongoing cost for running a product, business or system.                                                                          |
| 4. | Ratio of money gained or lost on an investment relative to the amount of money invested.                                         |

---

**Answer:**

---

|                          |       |
|--------------------------|-------|
| <input type="checkbox"/> | ROI   |
| <input type="checkbox"/> | TCO   |
| <input type="checkbox"/> | CapEx |
| <input type="checkbox"/> | OpEx  |

Explanation:

ROI 4

TCO 2

CapEx 1

OpEx 3
