Question: 1

When preparing for questions involving Stretched-Cluster Deployment with PowerShell, which subject area best matches the requirement?

- A. Single-Cluster Deployment with Windows Admin Center
- B. Stretched-Cluster Deployment with PowerShell
- C. Deployment Prerequisites
- D. Solution Design Considerations

Answer: B

Explanation:

The requirement maps directly to Stretched-Cluster Deployment with PowerShell, which is one of the defined areas in the exam preparation outline.

Question: 2

Which topic would be the best match for a scenario centered on Deployment Prerequisites?

- A. Cluster Monitoring and Management
- B. Stretched-Cluster Deployment with Windows Admin Center
- C. Deployment Prerequisites
- D. Implementation and Troubleshooting

Answer: C

Explanation:

A scenario centered on this concept is best categorized under Deployment Prerequisites. The distractors represent other areas of the exam.

Question: 3

When preparing for questions involving Cluster Monitoring and Management, which subject area best matches the requirement?

- A. Cluster Monitoring and Management
- B. Azure Stack HCI Solution Concepts and Features
- C. Azure Registration
- D. Lifecycle and Update Considerations

Answer: A

Explanation:

The requirement maps directly to Cluster Monitoring and Management, which is one of the defined areas in the exam preparation outline.

Question: 4

Which study area is most directly associated with Cluster Monitoring and Management?

- A. Cluster Monitoring and Management
- B. Deployment Prerequisites
- C. Stretched-Cluster Deployment with PowerShell
- D. Azure Registration

Answer: A

Explanation:

This question targets the listed exam domain. The correct choice is the topic that directly matches the concept named in the stem.

Question: 5

A candidate is reviewing Azure Registration. Which domain should receive the most attention?

- A. Diagnostics Collection
- B. Azure Registration
- C. Dell Integrated System Architecture
- D. Single-Cluster Deployment with Windows Admin Center

Answer: B

Explanation:

Azure Registration is explicitly included in the exam topic outline, so it is the most relevant domain among the choices.
